

# TRANSPORTATION INNOVATION

## FORT WORTH IS THE FAST-GROWING HUB FOR INNOVATIONS IN AIR & GROUND TRANSPORTATION

Transportation is taking off in Fort Worth thanks to ideal location, collaboration and partnerships. Easy access to airports, rail, highways, and resources is paving the way for unprecedented focus and investment by industry giants and next-gen visionaries. Opportunities abound for partnering with companies that need a municipal platform for testing innovations.

### MARKET OPPORTUNITIES

- Electric Vertical Take-Off and Landing (eVTOL) Jets, Skyports & Skytaxis with Hillwood Development Company
- Supply Chain Logistics from Alliance Global Logistics Hub
- Artificial Intelligence (AI) & Autonomous Vehicle (AV) freight opportunities at BNSF Alliance Intermodal Hub
